DESCRIPTION

7760 PACE – Genuine smooth full grain leather uniform trainer fits in with workwear attire perfectly. Perfect for indoor and outdoor environments with water resistant full leather upper to keep feet dry in wet conditions. The EVA/Rubber outsole is lightweight and offers the comfort of an athletic trainer but in this sleek design. Sleek design to go with uniform wear and workwear with side foot padded guard. Puncture resistant stainless steel midsole along with stainless steel toe cap for impact protection. Breathable, absorbent, and quick drying Cambrelle lining makes for the best all day fit possible. This quality uniform black trainer is perfect for long periods on your feet and the anti-fatigue footbed will leave them feeling comfortable after long days. The TPU rear kick guard allows for easy removal and helps maintain the lifespan of the shoes. Manufactured in accordance with **ISO 9001 Quality Management** and **ISO 14001 Environmental Management** systems.
