### DESCRIPTION

7003 VERANO: This sleek light weight boot performs under the harshest conditions and will keep your feet insulated in the dead of winter and cool in the summer heat with our specialized TUFF-DRY breathable waterproof lining. Using our Xtra-Lite footbed system, this triple layered military grade memory foam offers comfort for rigorous hours spent on foot. Midsole constructed of composite **Kevlar** material and toecap of the lightest weight **Fibreglass**. The cushioned and energy absorbing dual density PU/Rubber sole creates an added layer of comfort for long wear. Made from the finest quality water resistant genuine leather upper, this waterproof boot will keep your feet dry in the wettest and most dire conditions. Manufactured in accordance with **ISO 9001 Quality Management** and **ISO 14001 Environmental Management** systems.
