AGILITY

DESCRIPTION

7795 TERRAIN: Fusing the lightweight agility of a trainer but with the safety and ankle support of a hiker. The specially designed EVA/Rubber outsole offers the highest standard of slip resistance and is tested and certified to SRC. Having the EVA fused outsole offers increased anti-fatigue properties that absorb impact and alleviate pressure from joints. The extra padded collar is ergonomically shaped to assist ankle movement when driving vehicles. Using 1200D oxford fabric for the side panels to allow extra breathability and water resistance. Fully metal free with the highest grade of fibreglass toe cap and Kevlar midsole, this boot protects against unexpected dangers. The wearer is also protected from electrical hazards with the best ESD rated protection against electrical shock. The most uniquely innovative material is the 1.8mm thick vegan suede material, which is made from recycled textiles. It is a REACH certified textile that offers the strength and durability of a real leather, while adhering to vegan and sustainability standards. Finally, the front and rear scuff protectors made from genuine rubber prolong the life span of the boot by protecting from hard wear and tear. Manufactured in accordance with **ISO 9001 Quality Management** and **ISO 14001 Environmental Management** systems.

CONSTRUCTION:	Direct Cemented	INNER LINING:	Extra Cushioned Breathable Cambrelle
UPPER MATERIAL:	RECYCLED VEGAN TEXTILE (1.8mm thickness)	FOOTBED:	Xtra-Lite PU/ Anti-Bacterial
TOE CAP:	200 Joules Fibre Glass	OUTSOLE:	Dual Density EVA/RUBBER
MIDSOLE:	Penetration Proof, Kevlar Composite	WEIGHT:	558 grams (half pair size 8UK)

HIGHLIGHTS

- **EVA/RUBBER Outsole**
- ESD Electro Static Dissipative
- **100% NON-METAL**
- Triple Layered PU Footbed
- **VEGAN** (Contains zero animal traces)
- **XTRA LITE Anti-Fatigue System**
- Kevlar Midsole
- Fibreglass Toe cap (EN 20345: 2011)
- **Front & Rear Rubber Scuff Guard**
- Dual Density Outsole Thickness
- Oil Resistant
- Slip Resistant SRC
- Antistatic
- Water Resistant
- Energy Absorbent Heel
- Ankle Collar Support Padding
